GREEN TRAVEL PLAN

Leaden Hall School operate a Green Travel plan. We aim to:-

Encourage use of School buses

Encourage Lift Shares

Operate a Walking Bus

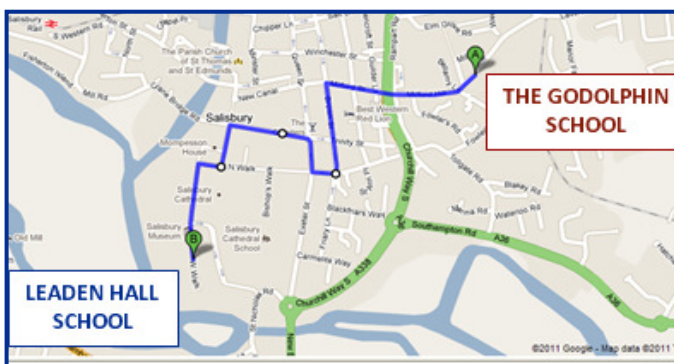

Encourage Cycling

We collaborate with other local schools, namely The Godolphin, Chafyn Grove and Salisbury Cathedral School to reduce costs, ease congestion and improve services to parents.

BUSES

Leaden Hall currently operates 3 independent buses in the mornings with routes coming into school from the North (Old Sarum, Beehive), West (Codford) and South West (Tisbury) of the City. We also run a feeder bus from Godolphin to Leaden Hall. Children from Nursery to Year 6 are brought safely in either a luxury coach or our own school minibus escorted by a member of staff (and often a pile of assorted teddies!). We have amalgamated our Eastern route (Broughton) with the service from Winchester offered by Godolphin.

The Godolphin school also runs 3 additional routes from Andover, Romsey and Fordingbridge. All Leaden Hall girls can access any of Godolphin's inbound buses subject to capacity. There is also a feeder bus from Godolphin to Leehurst and Chafyn Grove. Please contact Godolphin for further details.

CARS

Parents are given an Access pass which entitles them to park for up to 20 minutes in The Close car park to 'drop off' for school. However, Leaden Hall School operate a 'Stop & Drop' scheme where parents may pull up in their cars outside the school gates between 08.00-08.20 for their children to go straight into school.

LIFT SHARING

Leaden Hall School encourages lift sharing and holds a database of contact details. Please complete the relevant section of the form enclosed if you are happy for your details to be passed on and would like to be added to our database.

WALKING BUS

We are keen to reintroduce the Harnham Walking Bus from the Salisbury Tennis Club to Leaden Hall with the children walking the 0.5-mile to school every day which will continue on to the Cathedral School. If you are interested in joining or co-ordinating this service, please complete the relevant section of the enclosed form.

CYCLING

Leaden Hall School encourages cycling to school for exercise and wellbeing, ease of congestion and reduction in pollution. There are undercover spaces at the front of the school where you can lock your bike away for the day. We also run Bikeability courses for the Year 6 girls.
